Name _____

SPIN and WRITE

Spin a sight word. Read it out loud and then write it on a planet below. Continue until all of the planets are filled.

How to Spell a Word

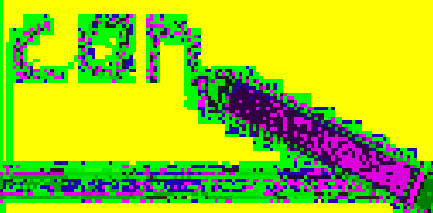

Look at your word. What do you notice?
Can you see any spelling patterns?

Read your word. Say each letter.

Cover your word, use your hand, or think of a number. Picture the word in your mind.

Write your word. Remember how it sounds and what it looks like.

Check your word. Is it correct? Write the word correctly if you made any mistakes.

Name _____

SPIN and WRITE
